

CHRISTIAN HERITAGE ACADEMY 2018-2019 School Supply List

Students should bring all items on their grade's school supply list. The school supply list is divided into two sections. The first list of items must be purchased by the family. As a convenience, the second list of items is available for purchase online through School Tool Box. Please note that some items will be used for multiple years so it would be wise for children to take good care of these items.

Parents of students entering preschool-grade 8 may order school supplies online from **School Tool Box**. To order go to www.schooltoolbox.com. (Click on "Find Boxes Now" in Let's Get Started, and search for Christian Heritage Academy, Northfield.) Look for your child's 2018-2019 grade. Some grades offer multiple lists, as supplies can vary by the letter of a student's last name. **It is suggested online orders are placed by August 1 to ensure delivery to your home before the first day of school.** If you have questions about School Tool Box, please email CHA Parent Mary Stefely at mstefely@gmail.com.

IMPORTANT NOTES –

K-12 Students: Please mark ALL items with student name unless specified differently. Preschool should not mark items since they are shared as a classroom.

All Students in Grades K-8: Student must have an extra pair of CLEAN gym shoes to keep in student's locker for Physical Education. **NO open heeled shoes allowed** as they are unsafe for sports activities.

All Students in Grades K-12: Canvas locker organizers are sold as an 8th grade fundraiser and will be available for sale from late August until early September. There is no order form. Locker organizers cost \$26.

All Students in Grades K-6: One royal blue, short-sleeved CHA Polo shirt is required for field trips. Polos are available for sale in the CHA Office (see Sandi Decker) in August. Cost is \$18.

All Students in Grades 3-8: Assignment notebooks are provided for each student.

Students Grades 2-8: Parents will need to purchase an English Standard Version (ESV) Bible. Students in Grades 2-5 may wish to purchase a "**Following Jesus Bible**" (ESV version) by Crossway, which is user friendly for younger children; students may also use an ESV Student Bible. Students in grades 6-8 will need to purchase an **ESV Student "Study" Bible**. If your family desires to buy only one Bible during enrollment, purchase the ESV Student Study Bible. (Discounted bibles may be purchased at Amazon.com or Christianbook.com.)

Students 9-12: The ESV Version is preferred, but not required.

All Students in Grades 4-8: Students participate in **Executive Functioning Training** as a part of their integrated classroom experience, which will develop organization and study skills in a structured setting. Because we want all students to use exactly the same tools, the school has purchased material, in bulk at a reduced cost. Materials include heavy duty binder, dividers, plastic pocket folder and pencil pouch. Each 4th-6th grader will be billed for the material required for this program. 7th-8th graders will be billed, but must supply their own binder.

All Students in Grades 4-6: Students will need a recorder for music class and a book to keep at home for practicing. Ordering and pricing will be on Parent Central in early August with pricing information. Mrs. Karls will handle the purchasing of the recorder and/or method books. All 4th grade or new students in 5th or 6th grade will need a book and recorder. Cost will be billed to your tuition invoice.
