

2019 Summer Creative Art Camp

Instructor: Pam Magary

What artistic creations will your child accomplish during three uninterrupted hours a day, for five consecutive days in a convenient camp located right in the art room of CHA? Summer Creative Art Camp provides your child with a fun opportunity to grow and learn with Mrs.

Magary. **The Summer Creative Art Program** will allow students the time to create projects to expand their visual thinking skills while drawing, painting and sculpting what interests them. The class will utilize a different art medium every day with lessons in drawing, cartooning, painting and sculpture. Working with the premise that accurate and satisfactory drawing is the language of visual thinking, techniques will be taught that help children develop a strategy for solving the problems they encounter when drawing. Students enjoy the time to focus on drawing, painting or sculpting a more detailed project than during the school year. Our last class will be an art exhibit and demonstration time for the entire family. *Class size- minimum 8, maximum 24*

Choose either a morning session or an afternoon session. Students (grades 4-8) may sign up for a double session (subject to availability) after May 1.

Grade Completed In 2018-2019	Date	Days	Time	Fee/Materials
Grade K-8 Campers must have completed Kindergarten Morning session is FULL	June 10-14	Mon-Fri	Morning 9:00 AM-12:00 PM	\$220 (Checks payable to Pam Magary)
