

CHRISTIAN HERITAGE ACADEMY 2020-2021 School Supply List

Students should bring all items on their grade's school supply list. The school supply list is divided into two sections. **The list of items on the left must be purchased by the family.** As a convenience, **the list of items on the right is available for purchase online through the vendor, School Tool Box.** Please note that some items will be used for multiple years so it would be wise for children to take good care of these items.

Parents of students entering Preschool-Grade 8 may order school supplies online from [School Tool Box](https://www.schooltoolbox.com). To order go to www.schooltoolbox.com. (Enter the school name, Christian Heritage Academy, and zip code 60093.) Look for your child's 2020-2021 grade. Some grades offer multiple lists, as supplies can vary by the letter of a student's last name. **It is suggested online orders are placed by August 9 to ensure delivery to your home before the first day of school.** If you have questions about School Tool Box, please email CHA Parent Mary Stefely at mstefely@gmail.com.

IMPORTANT NOTES

PK-12 Students:

Please mark ALL items with student name unless specified differently.
All students are encouraged to get a Library card if they don't already have one.

Students in Grades K-8: All students must have an extra pair of CLEAN gym shoes to keep in student's locker for Physical Education. **NO open heeled shoes allowed** as they are unsafe for sports activities.

Students in Grades 3-8: Assignment notebooks are provided for each student.

Students Grades 2-8: Students must have their own English Standard Version (ESV) Bible. Students in Grades 2-5 may wish to purchase a "Following Jesus Bible" (ESV version) by Crossway, which is user friendly for younger children; students may also use an ESV Student Bible. Students in grades 6-8 will need an **ESV Student Study Bible**. If your family desires to buy only one Bible during enrollment, purchase the **ESV Student Study Bible**. (Discounted bibles may be purchased at Amazon.com or Christianbook.com.)

Students 9-12: The ESV Study Version is preferred, but not required.

Students in Grades 4-8: Students participate in **Executive Functioning Training** as a part of their integrated classroom experience, which will develop organization and study skills in a structured setting. Because we want all students to use exactly the same tools, the school has purchased material in bulk at a reduced cost. Materials include heavy duty binder, dividers, plastic pocket folder and pencil pouch. Each student in Grades 4-6 will be billed for the material required for this program. Students in Grades 7-8 will be billed, but must supply their own binder.

Students in Grades 4-6: Students will need a recorder for music class and a book to keep at home for practicing. Ordering and pricing information will be available on [CHA Central](#) in early August. The music teacher will handle recorder order forms and/or method books. All Grade 4 or new students in Grades 5-6 will need a book and recorder. Cost will be billed to your tuition invoice.

CHRISTIAN HERITAGE ACADEMY
