Please submit completed application form and the \$40 fee (cash or check made payable to Christian Heritage Academy) to Mr. Davis in Room 219. The student will be notified when the application has been approved and when the parking permit window cling will be available for pickup. Priority in assigning spots will be given to seniors, then juniors, then sophomores if availability allows. **The parking permit window cling will be valid for only one school year. Student parking is only allowed in the South Parking Lot in the designated area.**

The CHA-issued parking permit window cling should be placed in the lower corner on the back window (driver's side) at all times when on campus. The window cling may be shifted from one family car to another should the need arise to drive a different vehicle to school.

I have read and understood the student driving rules and the consequences for non-compliance in the Student Handbook. My student has a driver's license and my permission to operate the above noted vehicle(s) on the Christian Heritage Academy property. I understand that all student-operated vehicles will need a CHA-issued parking permit window cling and will park in the SW corner of the CHA parking lot (see attached map).
